Flow Premium Health Shield Shown Above

Types of Classroom Protection Alumni Offers

Premium Health Shields

Rectangle Premium Health Shield
shown on DSQ Desk
Size: 20"(W)x20"(D)x24"(H)

Flow Premium Health Shield
shown on Flow Desk
Size: 22"(W)x20"(D)x24"(H)

Boomerang and Hex Premium Health Shield
shown on Hex Desk
Size: 12"(W)x20"(D)x24"(H)

The Alumni Premium Health Shields are made from 5mm thick clear plexiglass panels. They are available in multiple sizes to fit our most popular desks.

These Health Shields have Surface Mounting Pucks with patented Releasable Adhesive to ensure the Shields can securely attached to the desk top.

Other design features on the Premium Health Shields include: the ability to fold for compact flat storage, rounded corners, and two full length hinges to increase stability and prevent panels from separating.

Economical Health Shields

Rectangle Economical Health Shield
shown on DSQ Desk
Size: 20"(W)x16"(D)x20"(H)

L-Shaped Economical Health Shield
shown on DSQ Desk
Size: 20"(W)x16"(D)x20"(H)

Rectangle Economical Health Shield with
handle shown on SDRD Desk
Size: 20"(W)x10"(D)x20"(H)

The Alumni Economical Health Shields are made from 3mm thick clear plexiglass panels. They are available in multiple styles including the Alumni Boomerang Desk and Hex Desk.

These Health Shields attach to the desk top by using "T"-Slot Mounting Pads with Releasable Adhesive to ensure the Shields are secured onto the desk top.

Other design features on the Economical Health Shields include: flexible 3M tape hinge which allows for panels to fold flat, and slightly rounded corners.

Single Panel Health Shield shown on the Accelerator Double Pedestal Teacher Desk
Size: 36" and 20" Height

For Teacher Desks we offer a 36" Clear Plexiglass Panel that is 5mm thick and 20" in height.

For extra separation within the classroom we offer the Mobile Floor Cart made with a Clear 3mm thick Plexiglass Panel.

Mobile Floor Cart
Size: 40" and 73" Height
